Subject: Constitution of Industry institute interaction cell.

ORDER NO: 150f2022
DATED: 18-04-2022

An ongoing interaction between the industry and institute is an essential one. To strengthen the relationship between industry and our institute, the industry- institution interaction cell is established to provide an excellent platform for both the students as well as the faculty members to be aware of industry expectations. IIIC serves as a podium to showcase the best practices, latest technologies in industries and their implemention.

Also, IIIC promotes industry experts to constinuously partake in curriculum design and career development programs which play a significant role in honing the skill set of the students inclined towards the expectation of the industry. Towards up scaling the academia in the Global knowledge index, ample industrial exposure is provided to the faculty members to enhance the Teaching Index Learning process and enable the institution to produce quality students in turn.

OBJECTIVES:

- To Explore And identify Common Avenues Of interaction With industry
- To Establish Centre Of Excellence By industry/ Corporates To provide Real Time Exposure On Technologies
